

Announcements

HW5 is out tonight.

- Due next Wednesday.
- Image resizing program (see right).

Lab15, HW6 and HW7 are opportunities to replace earlier HWs or labs that you missed or did poorly on.

- Due Friday of RRR week.
- Only necessary if you need more points, since we drop two lowest homeworks of 7.

Announcement #2

We have a guest lecturer today: Dr. Chris Gregg of Stanford University (he's also a Commander in the Navy Reserves).

Chris's slides are available at [this link](#).
